EN VOGUE

S. 6 - 9

Durchgehende Linien *auf Zarge und Türblatt in* ***stumpf einschlagender*** *Ausführung – auf Wunsch kombiniert mit spiegelnden* ***Hochglanzflächen*** *– effektvoller kann ein Türelement kaum sein. Bei den Türen der Serie EN VOGUE ist der Name Programm.*

EN BLOC

S. 10 - 13

Die bewusst ***reduzierte Formensprache*** *im Stil der neuen Sachlichkeit der Bauhaus-Ära macht diese Türelemente zu Designobjekten im Wohnraum. Die Türmodelle EN BLOC sind die perfekte Ergänzung zu eindrucksvoller moderner Architektur.*

BANDE

S. 14 - 17

Modernes Design *auf ganzer Linie - diese Türen stehen für moderne und klare Konturen im Raumdesign. Türen der Serie BANDE bestechen durch ihre dezente* ***V-Fräsung*** *auf weissem Lack in zahlreichen Varianten.*

PERLA

S. 18 - 21

Eine auf das Wesentliche ***reduzierte Profilierung*** *und weisser Lack lassen diese Türen in zeitloser Eleganz erstrahlen. Türen der Serie PERLA wirken* ***edel und schlicht*** *und sind vielfältig kombinierbar mit verschiedenen Einrichtungsstilen.*

CREDO

S. 22 - 25

Die zurückhaltende Eleganz und Schönheit der ***dezenten Profilierung*** *wird durch eine makellose Lackoberfläche betont. Die hochwertige Anmutung wird abgerundet durch Beschläge mit flächenbündiger Rosette. Das Türmodell CREDO überzeugt mit* ***schlichter Linienführung.***

BORDE

S. 26 - 29

Eine klare und strenge Formgebung durch ***stufenförmig abgesetzte Füllungen*** *macht diese Türen zu klassischen Schönheiten. Die Türen der Serie BORDE stehen für Liebe zum Detail.*

ETAGE

S. 30 - 33

*Das einzigartige Design mit **zurückgesetzten waagerecht eingearbeiteten Leisten** macht diese Türen zu modernen Klassikern. Die Türen der Serie ETAGE haben einen unverwechselbaren Charakter, der unzählige Möglichkeiten der Innenraumgestaltung eröffnet.*

STILISTEN

S. 34 - 39

*Diese Türen lassen den Stil vergangener Epochen wieder aufleben. Mit **historischen Designelementen** in zahlreichen Variationen geben Türelemente der Serie STILISTEN historischen aber auch modernen Gebäuden den letzten Schliff.*

PALAIS

S. 40 - 43

*Im Design **angelehnt an klassische Vorbilder** und neu interpretiert im Stil der heutigen Zeit machen die Türen der Serie PALAIS jedes Zuhause zum repräsentativen Landsitz oder Schloss. In jeder der vielen Varianten wirken diese Türen prachtvoll und grandios.*

PALAZZO

S. 44 - 45

***Alte Handwerkskunst** perfekt nachgeahmt mit moderner Technik. Die Türen hauchen **denkmalgeschützten Bauten** wieder neues Leben ein oder sind perfekte Ergänzung zu Neubauten im historischen Stil. Die Serie PALAZZO lässt längst vergangene Epochen wieder aufleben.*

LISSE

S. 46 - 49

***Glatte Türen** mit puristischer Schönheit in strahlendem Weiss setzen Akzente durch ihr bewusst zurückhaltendes Design. Türen der Serie LISSE sind ein perfekter Partner zu jedem Architekturenstil.*

BESCHLÄGE

S. 50 - 51

Wir haben die Schönsten für Sie ausgesucht und jetzt entscheiden Sie, welcher am besten zu Ihren Türen passt. Alle Drücker sind hochwertig verarbeitet und von bester Qualität: „Made in Germany"! Alle Modelle zeigen wir Ihnen in flächenbündiger Ausführung, weil wir von der eleganten Optik überzeugt sind.
